Introduction

I am currently studying computer science at Queens University @ Kingston, Ontario. Throughout my high-school years, I've developed exceptional public speaking skills, time management skills, as well as social skills. My plan for the future is to obtain my major in computing and create some meaningful projects.

Work Experience

Skyline Motel – Jul. 2013 – Sep 2019

- Front desk – Rented rooms out to customers, as well as checked them in.
- Helping customers who call into the hotel.
- Assisted customers in the renting process, providing rates and explaining commodities.
- Cleaned rooms as housekeeping.
- Made sure the rooms are in the best shape for the next customer.

Education

Computer Science | Queens University

Sept. 2020 - 2024

Currently enrolled in computer science at Queens University (ArtSci)

High School | Korah Collegiate & Vocational School

Sept. 2016 - 2024

Played Badminton for 1 year. Played the clarinet for the Korah C&VS pit band for the productions "The Little Mermaid" & "The Sound of Music". Also played the clarinet for the Korah Concert band for 3 years.
